

**REMARKS**

The Examiner has made a restriction to one of the following inventions as required under 35 U.S.C. § 121:

I. Claims 1-21, drawn to a hog farrowing system comprising a farrowing building, classified in class 119, subclass 444.

II. Claims 22-47 and 60-68, drawn to a hog farrowing box, classified in class 119, subclass 502.

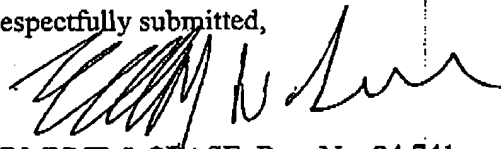

III. Claims 48-59, drawn to a method of farrowing hogs, classified in class 119, subclass 447.

The Applicant elects Group I, claims 1-21, drawn to a hog farrowing system comprising a farrowing building. If no generic claim is allowed, Applicant selects hogs as the species.

No fees or extensions of time are believed to be due in connection with this amendment; however, consider this a request for any extension inadvertently omitted, and charge any additional fees to Deposit Account No. 26-0084.

Reconsideration and allowance is respectfully requested.

Respectfully submitted,
